Dear

The 30th NAACP Annual Freedom Fund Banquet is a celebration of the 111th Anniversary of the National Association for the Advancement of Colored People (NAACP) and the 81th Anniversary of the West Volusia Branch. Since 1909, the NAACP has championed the fight for freedom, justice and equality. To continue this work, it is critical that we get the financial support from corporate sponsors and the business community. This event will be June 20th at the The Center at Deltona, 1640 Dr. Martin Luther King, Jr. Blvd. Deltona, Florida

The keynote speaker is Cheryl Brown Henderson of the landmark case Brown vs. The Board of Education

Our Theme: “Your Vote, Your Voice, They MUST Be Heard”.

We are extending you an opportunity to participate and be recognized by the community for your efforts as a community sponsoring partner. The enclosed sponsorship levels make it possible for everyone to participate.

From previous generous donations, we have been able to provide scholarships to deserving students from the communities we serve.

We would appreciate your response by March 30, to ensure your company or business is acknowledged in our souvenir booklet. If you require additional information, please contact me at, 386-804-6136, 386-574-6425 or email: peabodyi@aol.com.

The West Volusia Branch NAACP is a 501-c (4) organization, supporting both the local and national NAACP.

Sincerely,

Michael E. Williams, President

Enclosure
